

Henri Cartier-Bresson (1908-2004)

Lars Sveen

«I am a visual man.
I watch, watch, watch.
I understand things
through my eyes.»

«Everything is a fraction of a second. You have to be present.»

«I don't take the photograph.
The photograph takes me.»

The decisive moment

«Cropping a picture is like cutting
off someones arm.»

«I have no message to
deliver, nothing to prove;
you see and you feel,
and it's the surprised eye
that decides»
